

A detailed view of a home office. On the left, a long wooden desk with drawers holds a laptop and a lamp. A large leather office chair is positioned in front of it. In the center, a large wooden desk with a rope detail around its base is the focal point. Behind it is a fireplace with a wooden mantel and a mirror. To the right, a leather armchair sits near a window with blinds. A globe is visible on a side table. The room has wood-paneled walls and a patterned rug.
